DEVELOPMENT CORPORATION

September 25, 2012

Dear valued Dealer or Distributor,

Rhinehart Development Corporation is launching a new and exciting partnership with Syrvet, who is based in Quebec, Canada.

Syrvet Canada Inc. will now be our exclusive distributor for all of our quality products in Canada. You will now be able to purchase all of the same products that you currently buy directly from Syrvet. This will greatly reduce transportation costs and eliminate NAFTA paperwork for you. Rhineharts will ship all of your open orders the same as before, but all future orders should be sent directly to Syrvet. Their contact information is listed below.

I would like to thank you all for your patronage over the years. It was a difficult decision to reduce our dealers and distributor base, but one that I am sure you will find advantageous with being able to reduce overhead and transportation expenses. I trust you all will enjoy the same level of customer satisfaction with Syrvet as you have with Rhinehart Development.

Best Regards, Thomas Diehl
