Manufacturers of Mosquito Shield Insect Repellents and Knock Down Insecticides &
Pest Control Products

DIRECTIONS FOR USE:

Apply evenly to skin in a thin layer. Apply sparingly, not under clothing, and only when necessary. Do not apply to excessively sunburned skin. TO APPLY TO FACE: Apply avoiding eyes and mouth. Apply sparingly around ears. Reapply if necessary after 12 hours for protection from mosquitoes and ticks, and 10 hours for protection from black flies. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, or using tobacco. Discontinue use and consult a doctor if irritation or rash occurs.

PRECAUTIONS: Do not apply to children under 12 years of age. May irritate eyes. Avoid contact with eyes. Avoid contact with mouth, cuts, wounds, or irritated skin. Flammable, do not store near heat sources, sparks or open flame. Do not smoke while applying.

FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call a physician or poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame.

DISPOSAL: Do not re-use empty container. Wrap and dispose of empty container with household garbage.

OPTIONAL STATEMENTS

PiActive™ Insect Repellent Lotion provides long-lasting, 12 hour effective protection from mosquitoes and ticks, and 10 hour protection from black flies. Not oily, greasy or sticky. Will not damage fishing lines, plastic or other synthetic materials. It smells great too.

- Lotion
- DEET FREE, as always
- Dermatologically tested – human patch test was for the determination of irritating effect to human skin, none of the subjects showed any reaction or none of the human subjects showed any irritating skin effects. As with all products applied to the skin, test a small area to ensure no adverse reactions prior to use. Discontinue Use if signs of irritation or rash appear.
- Human patch testing conducted supports claim of non-irritant to skin. As with all products applied to the skin, test a small area to ensure no adverse reactions prior to use. Discontinue Use if signs of irritation or rash appear.
