**B.B. Jell-Udder Balm** can be used for all farm animals. It acts as a softening and protective ointment for chapped and damaged udders and teats of cows, mares, and ewes. It can even be used when cowpox are present. B.B. Jell can also be used to lubricate teat dilators and teat tubes. Its soothing and antiseptic ingredients are good for treating all wounds, cuts, and abrasions of horses and all livestock.
